

## FABRIC SELECTION FOR AUSTRALIAN MADE SOFABEDS, SOFAS AND CHAIRS

At Sofabed Specialists we understand that choosing the right fabric is essential and one of the most important elements of our products.

Our Australian made products are custom made in your choice of Fabric, vinyl or Leathers. We have sourced the very best in fabric, vinyl and leather suppliers for our customers to ensure the durability, quality and life of our products.

How to select a fabric:

1. We can help you select a fabric in-store.
2. We can help you select a fabric online (see below a small sample of fabric selections).
3. We can help you select a fabric online (see links to fabric manufacturer web sites below).
4. You can visit a fabric manufacturer showroom in your city.
5. We can send you sample cuttings of fabrics.

### Pricing:

Pricing of item will be calculated by:

1. Style and size of sofabed or sofa selected
2. Mechanism and mattress combination of sofabed
3. Fabric, Vinyl or Leather selected

Please contact us for a quote.

Wortley – tailor-made to withstand the demands of heavy commercial environments

- Combines durability with the appeal of genuine leather
- Perfect for use in hotels, restaurants, hospital and educational facilities
- **STUDIO** is U/V resistant which enables the vinyl to withstand extreme outdoor conditions. The vinyl fabric is also treated with Ezyclean technology.
- **PLUSH** is bi-degradable and has a Green Guard Barrier protection against microbial and bacterial growth, and can be cleaned with a bleach solution.
